Meet the tiny troublemaker before he became the lasagna-loving legend!

A baby's big little moments are some of the most special and cherished experiences for doting parents—pet parents included! Join the sassy but oh-so-adorable baby Garfield in navigating a series of universal "firsts" in this paw-sitively silly new comic series purrfect for Garfield-lovers, feline fanatics, and readers of all ages.

Featuring two short stories brimming with cattitude, writer **Grace Ellis** (*Lumberjanes*) and artist **Asia Simone** (*Moon Girl and Devil Dinosaur: Wreck & Roll*) capture Garfield's very first word, while writer **Michael Northrop** (*Dear Justice League*) and **Rob Justus** (*Superman's Good Guy Gang*) commemorate the often overlooked, but just as moving milestone... first hairball!

This hiss-terical issue is the first of four fun comic book adventures.

A high school disappears from Earth…and lands in the middle of an alien nightmare.

On October 16, 2013, Bay Point Preparatory High School mysteriously vanished from suburban Milwaukee, only to reappear on a strange, forest-covered moon in an unknown part of the universe. With no answers and no way home, students and faculty face a terrifying alien wilderness filled with unimaginable threats and nightmarish encounters alongside their desperate attempt to reclaim normalcy in a rebuilt society.

With rising tensions, shifting loyalties, and a looming cosmic threat, the path home is anything but clear. Can they survive the strange secrets that led to their arrival together? Or will the truth ultimately destroy them first?

From GLAAD Media Award–winning and Eisner-nominated writer **James Tynion IV** (*Something is Killing the Children*, *The Nice House on the Lake*) and acclaimed artist **Michael Dialynas** (*Wynd*, *Teenage Mutant Ninja Turtles*) comes a genre-bending saga.

There's only so much a person—even a super-powered person—can take!

The world thought Captain Payback and the Black Wraith had put the villain Choler away for good. But when Choler escapes Captain Payback's underground prison, all hell breaks loose. The Superheroes Union is at ground zero of the fallout, where even the most powerful among them are tested. Now, they must come to terms with their darkest secrets while facing their greatest enemy. Will they be strong enough to challenge Choler at his most powerful?

The battle continues in the second issue of this epic miniseries by the legendary **Larry Hama** and **M.D. "Doc" Bright**.

A portion of the proceeds from all four issues will go to The Hero Initiative, an organization that creates a safety net for comics creators who need emergency medical aid or financial support.
